

CURRICULUM VITAE**Ruben Lim Bon Siong, MD, FPAO**

Website: www.2020.stluke.com.ph
E-mail: rubenlim@sterlingpaper.com/rubenlbs2000@yahoo.com
Mobile Phone: +63917-5391560
Fax: (632) 242-2717

Work Address:

St. Luke's International Eye Institute
279 E. Rodriguez Sr. Blvd., Quezon City 1102, Philippines
Tel. (632) 722-2965, Fax (632) 727-5459

Department of Ophthalmology and Visual Sciences, Sentro Oftalmologico Jose Rizal, Philippine General Hospital, University of the Philippines Manila, Taft Avenue, Ermita, Manila 1000, Philippines
Tel. (632) 302-2488

AOC Eye Center
Suite 1214 State Center Building
333 Juan Luna St., Binondo, Manila, Philippines
Tel. (632) 242-2717, (632) 242-0812

Academic and other Appointments:

Clinical Associate Professor, Department of Ophthalmology and Visual Sciences, College of Medicine, University of the Philippines Manila, 1995 to present

Director, International Eye Institute, St. Luke's Medical Center Quezon City, April 1, 2008 to present

Chairman and Associate Professor, Department of Ophthalmology, St. Luke's College of Medicine, Quezon City, April 1, 2008 to present

Head, Vision Laser Center, International Eye Institute, St. Luke's Medical Center-Quezon City, 2000 to March 31, 2008

Head, Vision Laser Center, International Eye Institute, St. Luke's Medical Center-Global City, 2007 to present

Board Member, Philippine Board of Ophthalmology, March 22, 2009 to present

Vice Chair, Institutional Scientific Review Board, Research and Biotechnology Division, St Luke's Medical Center, 2010-2011

Chief, Kerato-Refractive Surgery Section, Institute of Ophthalmology and Visual Sciences, St. Luke's Medical Center, 1999 to 2008

Consultant, Attending Ophthalmologist and Medical Specialist 3, Cornea and External Disease Service, Cataract and Refractive Surgery Service, Department of Ophthalmology and Visual Sciences, Philippine General Hospital, 1997 to present

Consultant, Cornea and External Eye Disease Section, Institute of Ophthalmology and Visual Sciences, St. Luke's Medical Center, 1998 to present

Residency Training Coordinator (2006 to 2008), Assistant Residency Training Coordinator (1998 to 2005) and Assistant Research Coordinator (1998 to 2000), Department of Ophthalmology and Visual Sciences, College of Medicine-Philippine General Hospital, University of the Philippines Manila

Course Director, Annual LASIK Didactic Course and Wet Lab, St. Luke's Medical Center, 2000 to 2007

Chief Executive Officer, Allied Ophthalmic Consultants, 1998 to present

Member, Ethics Committee for Organ Transplant Donations, St Luke's Medical Center, July 20, 2009 to present

Member, Evidence Based Ophthalmology Group, Philippine Academy of Ophthalmology, 2001 to 2005

Member, Admissions Committee, St Luke's College of Medicine William H Quasha Memorial, January 2010 to present

Member, Admissions Committee, Department of Ophthalmology and Visual Sciences, College of Medicine, University of the Philippines Manila, 1998 to present

Member, Admissions Committee, Institute of Ophthalmology and Visual Sciences, St. Luke's Medical Center, 2000 to 2007

Examiner, Cornea and External Eye Disease, Philippine Board of Ophthalmology, 1998 to present

Assistant Editor and Peer Reviewer, Philippine Journal of Ophthalmology, 2004 to present

Peer Reviewer, Asian Journal of Ophthalmology, 2006 to present

Member, Editorial Board, St Luke's Journal of Medicine, July 09, 2008 to present

Member, Institutional Scientific Review Board, Research and Biotechnology Division, St Luke's Medical Center, 2008 to 2009

Trustee, Eye Bank Foundation of the Philippines Inc., 2002 to present

Trustee, Hope In Sight Foundation, Inc., 2003 to present

Faculty Adviser, UP Medical Students Society, 1998 to present

Hospital Affiliations (Active Consultant):

St. Luke's Medical Center-Quezon City
St. Luke's Medical Center-Global City
Philippine General Hospital

Elective Positions Held:

Vice-President, Philippine Academy of Ophthalmology (PAO), 2010 to 2011
 Secretary, Philippine Academy of Ophthalmology (PAO), 2008 to 2009
 Treasurer, Philippine Academy of Ophthalmology (PAO), 2006 to 2007
 Councilor, Executive Council, Philippine Academy of Ophthalmology, 2002 to 2003; 2004 to 2005
 Secretary, Hope In Sight Foundation, Inc., 2003
 Treasurer, Hope In Sight Foundation, Inc., 2004
 Secretary, Cornea Club of the Philippines, 2004 to 2008
 Vice President, Cornea Club of the Philippines, 2009 to present

Others:

Overall Chair, Organizing Committee, PAO Annual Meeting 2010
 Chair, Committee on Continuing Education in Ophthalmology, 2010 to 2011
 Chair, PAO Membership Committee, 2008 to 2009
 Chair, PAO Publicity Committee, 2008 to 2009
 Adviser, PAO Scientific Program Committee, 2006
 Co-Chair, PAO Scientific Program Committee, 2003
 Chair, PAO Scientific Program Committee, 1999
 Chair, PAO Finance Committee, 2006 to 2007
 Member, PAO Finance Committee, 2002 to 2005
 Member, PAO Research Committee, 2006 to 2009
 Member, PAO Research Committee, Membership Committee 2006 to 2007
 Member, PAO Ad Hoc Committee on EBO, 2002 to 2005
 Member, PAO Committee on Continuing Education in Ophthalmology, 1999 to present

Research Collaborations/Multi-Center Trials:

Principal Investigator, Philippine General Hospital and St. Luke's Medical Center, A study to evaluate the clinical and microbial efficacy of 0.6% ISV-403 vs Vigamox in the Treatment of Bacterial Conjunctivitis, 2007

Post- Graduate Training:

Clinical and Research Fellowships:

1. Cornea, External Disease and Refractive Surgery, Department of Ophthalmology and Visual Sciences, Barnes – Jewish Hospital
Washington University School of Medicine, St. Louis, Missouri, USA
July 1, 1995 to June 30, 1997
2. Cornea and External Diseases, Department of Ophthalmology
Philippine General Hospital, University of the Philippines Manila
Jan. 1, 1994 to June 30, 1995
3. Dacryology, Servicio de Oftalmologia, Centro Especial Hospital Ramon y Cajal,
Universidad de Alcala de Henares, Madrid, Espana (AIETI Scholar)
Aug. 1, 1994 to Sept. 31, 1994

Chief Resident, Department of Ophthalmology, Philippine General Hospital, University of the Philippines Manila
Jan. 1, 1993 to Dec. 31, 1993

Residency in Ophthalmology, Department of Ophthalmology, Philippine General Hospital, University of the Philippines Manila

Jan.1, 1990 to Dec. 31, 1992

Rotating Medical Internship, Philippine General Hospital, University of the Philippines Manila
May 1, 1988 to April 30, 1989

Doctor of Medicine, College of Medicine, University of the Philippines Manila
June 1984 to April 1989

Education:

College

BS Biology (cum laude) Department of Biology, College of Science, University of the Philippines Diliman

1980 to 1984

High School

Saint Jude Catholic School, San Miguel, Manila

1976 to 1980

Elementary

Saint Jude Catholic School, San Miguel, Manila

1970 to 1976

Eligibilities:

1995 State of Missouri Medical License to Practice Healing Arts

1994 Diplomate, Philippine Board of Ophthalmology

1994 US Educational Commission for Foreign Medical Graduates

1989 US National Board of Medical Examiners Parts I and II

1989 Philippine Physician Licensure Examination (unrestricted license)

Honors:

1984 cum laude, BS Biology

1984 Phi Kappa Phi Honor Society

1984 Beta Sigma Biological Honor Society

1989 Overall Most Outstanding Medical Intern, Philippine General Hospital

1989 17th Place, Philippine Physician Licensure Examination

1992 First Place, UP-PGH Ophthalmology Residents Research Forum

1992 Third Place, Residents Research Forum, Committee for Research and Development and Implementation, UP College of Medicine

1994 First Place, Philippine Board of Ophthalmology Diplomate Examination

2001 International Publication Award, Committee on Higher Education, Office of the President, Republic of the Philippines

2002 UP President's Award for Academic Distinction (for International Publication)

2005 Fellow of the Philippine Academy of Ophthalmology

2007 Diamond Jubilee Faculty Incentive Grant Award from University of the Philippines Manila

Memberships:

American Society of Cataract and Refractive Surgery

Philippine Society of Cataract and Refractive Surgery

Asia Cornea Society

Cornea Club of the Philippines

Philippine Ocular Inflammation Society
 Philippine Academy of Ophthalmology
 American Academy of Ophthalmology
 Philippine Medical Association
 Manila Medical Society
 Filipino-Chinese Medical Society
 UP-PGH Ophthalmology Residents Alumni Association
 UP Medical Alumni Society
 UP Alumni Association
 Washington University School of Medicine Alumni Association

Previous memberships:

Missouri Ophthalmological Society, Inc.
 Contact Lens Association of Ophthalmologists
 International Association of Contact Lens Educators
 Ocular Microbiology and Immunology Group
 International Society of Dacryology
 Philippine General Hospital Physician's Association (Vice-President)
 UP Medical Students Society (President)
 UP Chinese Student Association (President)

Post – Graduate Courses/ Convention:

Annual Meeting of the Philippine Academy of Ophthalmology, 1992, 1993, 1994, 1998, 1999, 2001, 2002, 2003, 2004, 2005, 2006, 2007, 2008, 2009

World Cornea Congress VI, Boston Convention and Exhibition Center, Boston, Massachusetts, USA, April 7 to 9, 2010

“Innovative Approaches” UPCM Integrated Faculty Development Program Core Course, UP College of Medicine, March 26, 2010

“Doing Research at the UPCM-PGH” UPCM Integrated Faculty Development Program Core Course, UP College of Medicine, February 25, 2010

“Evaluation and Community Diagnosis” UPCM Integrated Faculty Development Program Core Course, UP College of Medicine, January 28-29, 2010

“Needs Based Instructional Design and Situational Analysis” UPCM Integrated Faculty Development Program Core Course, UP College of Medicine, October 29-30, 2009

“Leadership and Management” UPCM Integrated Faculty Development Program Core Course, UP College of Medicine, September 24-25, 2009

International Refractive User Symposium-Carl Zeiss Meditec, Hong Kong, SAR, March 21, 2009

World Ophthalmology Congress 2008, Hong Kong Convention and Exhibit Center, Wanchai, Hong Kong, SAR, June 28 to July 2, 2008

PSCRS-ASCRS Joint Meeting II, EDSA Shangri-La Hotel, June 24-25, 2008

Inaugural Asia Cornea Society Scientific Meeting 2008, March 13 to 14, 2008, Shangri-La's Rasa Sentosa, Singapore

Module on Creating Value Through Financial Management, SLMC Management Development Program for Healthcare Providers, Asian Institute of Management, Makati City, December 13-14, 2007

Educating the Educators (Residency Program Director's Course), St Luke's Medical Center, Quezon City, October 15-16, 2007

Module on Strategic Management, SLMC Management Development Program for Healthcare Providers, Asian Institute of Management, Makati City, September 20 to 21, 2007

Module on Human Behavior in Organizations, SLMC Management Development Program for Healthcare Providers, Asian Institute of Management, Makati City, August 23 to 24, 2007

Module on Marketing Management, SLMC Management Development Program for Healthcare Providers, Asian Institute of Management, Makati City, July 26 to 27, 2007

Module on Environmental Scanning and Systems Thinking, SLMC Management Development Program for Healthcare Providers, Asian Institute of Management, Makati City, May 23 to 24, 2007

Good Clinical Practice Workshop "Bioethics: Principles of Ethical Clinical Research" Sentro Oftalmologico Jose Rizal, Philippine General Hospital, March 15, 2007

21st Congress of the Asia Pacific Academy of Ophthalmology, Singapore, June 10 to 14, 2006

Symposium on Cataract, IOL and Refractive Surgery. American Society of Cataract and Refractive Surgery. Washington Convention Center. Washington DC, USA. April 15 to 20, 2005.

World Cornea Congress V. Washington Convention Center. Washington DC, USA. April 13 to 15, 2005.

20th Congress of the Asia Pacific Academy of Ophthalmology. Sunway Pyramid Convention Center Sunway Lagoon Resort Hotel, Kuala Lumpur, Malaysia. March 27 to 31, 2005.

How to Practice and Teach Evidence Based Medicine-Trainor's Training Workshop. Asia Pacific Center for Evidence Based Medicine, Inc. Don Filemon Rodriguez Training Center, Tagaytay City, June 19 – 22, 2003

Second Congress of the South East Asia Glaucoma Interest Group. EDSA Shangri-La Hotel. September 27-28, 2002

Symposium on Cataract, IOL and Refractive Surgery. American Society of Cataract and Refractive Surgery. Philadelphia Convention Center. Pennsylvania, USA. June 1 to 5, 2002

Symposium on Cataract, IOL and Refractive Surgery. American Society of Cataract and Refractive Surgery. San Diego Convention Center, California, USA. April 28 to May 2, 2001

Evidence Based Medicine Workshop, University of the Philippines Manila, December 5 – 6, 2000

Train-the-Trainer's Course (Technolas 217 and Hansatome), Bausch & Lomb Surgical, Four Seasons Hotel, Singapore, August 26, 2000

Pre AAO Subspecialty Day, Refractive Surgery: Reshaping the Future, American Academy of Ophthalmology, Orlando, Florida, Oct. 1999

Ocular Surface Diseases and Amniotic Membrane Grafting, American Academy of Ophthalmology, Orlando, Florida, Oct.1999

Phakic IOL's for High Myopia, American Academy of Ophthalmology, Orlando, Florida, Oct. 1999

Clinical Statistics Without Pain, Foundation for the Advancement of Clinical Epidemiology, Clinical Epidemiology Unit, College of Medicine, University of the Philippines Manila, April 12-14, 1999

CLAO Regional Basic Contact Lens Course, St. Louis Children's Hospital, St. Louis Missouri, Nov. 22, 1996

Medical and Surgical Management of Complications of Refractive Surgery, American Academy of Ophthalmology, Chicago, Illinois, Oct. 29, 1996

Advanced Corneal Topography, American Academy of Ophthalmology, Chicago, Illinois, Oct.28, 1996

Advanced Lamellar Refractive Surgery: LASIK and ALK, International Society of Refractive Surgery, Hotel Intercontinental, Chicago, Illinois, Oct. 26, 1996

Ophthalmology Fall Update: Outlook on Glaucoma: The 21st Century, Washington University School of Medicine, St. Louis, Missouri, Oct. 12, 1996

Vision for the Future: Refractive Error Correction into the 21st Century, St. Luke's Hospital, Chesterfield, Missouri, July 14, 1996

Summit Excimer Photorefractive Keratectomy (PRK) Wet Lab. Barnes Hospital, St. Louis, Missouri, 1996

World Congress on the Cornea IV, Orlando, Florida, April 17-19, 1996

Ophthalmology Fall Update: Ocular Pathology, Washington University School of Medicine, St. Louis, Missouri, Oct. 1995

Summit Excimer Phototherapeutic Keratectomy (PTK) Course, Barnes Hospital, St. Louis, Missouri, 1995

Problematic and Unusual External Eye Diseases, Manila Doctors Hospital, UN Avenue, Manila

Teaching Phacoemulsification to Residents and Physicians-in-transition, American Academy of Ophthalmology, Chicago, Illinois, 1993

Postoperative Intraocular Inflammation following Cataract Surgery, American Academy of Ophthalmology, Chicago, Illinois, 1993

Uveitis Course, Department of Ophthalmology, Philippine General Hospital, Manila, 1992

Seminar on Ocular Surgery and Complications, Department of Ophthalmology, Philippine General Hospital, Manila, 1991, 1992, 1993

Seminar on Ocular Diseases, Department of Ophthalmology, Philippine General Hospital, Manila, 1991, 1992, 1993

Contact Lens Course, Department of Ophthalmology, Philippine General Hospital, Manila, 1990

Glaucoma Course, Department of Ophthalmology, Philippine General Hospital, Manila, 1990

Basic Course Lectures in Ophthalmology, Department of Ophthalmology, Philippine General Hospital, Manila, Jan to March 1990

Paper Presentations:

Atypical Mycobacterium Infection after Phacoemulsification: Report of 20 Cases. Presented at the World Cornea Congress VI, Boston Convention and Exhibition Center, Boston Massachusetts, USA, April 7 to 9, 2010

High Order Aberrations After Zyoptix and PlanoScan LASIK in Low to Moderate Myopia. Presented at the American Society of Cataract and Refractive Surgery 2005 Symposium and Congress, April 17, 2005, Washington Convention Center, Washington DC, USA

Congenital Hereditary Endothelial Dystrophy: A Case Report. Mah JHG, Lim-Bon-Siong, R. Presented at 17th Congress of the Asia-Pacific Academy of Ophthalmology, March 8, 1999, Manila, Philippines

A Descriptive Study on the Most Probable Etiologies of Corneal Opacities Seen in the Patients of the External Disease Clinic of the Philippine General Hospital from July 1979 to June 1996. Nepomuceno RRL, Valenton MJ, Lim-Bon-Siong R. Presented at the 17th Congress of the Asia-Pacific Academy of Ophthalmology, March 8, 1999, Manila, Philippines

Pterygium Excision with Conjunctival Autograft in Primary and Recurrent Cases in the Philippines. Roque MR, Lim-Bon-Siong R. Presented at the 17th Congress of the Asia-Pacific Academy of Ophthalmology, March 9, 1999, Manila, Philippines

Combined Lamellar Keratoplasty and Conjunctival Autograft in the Surgical Treatment of Recurrent Pterygium. Roque MR, Valenton MJ, Lim-Bon-Siong R. Presented at the 17th Congress of the Asia-Pacific Academy of Ophthalmology, March 9, 1999, Manila, Philippines

The Effect of Povidone-Iodine 1.25% on the Ocular Microbial Flora of Patients with Acute Measles. De Leon M, Valenton MJ, Dy-Liacco J, Lim-Bon-Siong R, Dimaano E. Presented at the 17th Congress of the Asia-Pacific Academy of the Ophthalmology, March 9, 1999, Manila, Philippines

The Microbiology of Corneal Foreign Bodies. Casimiro JR, Lim-Bon-Siong R, Nievera LFC, Valenton MJ. Presented at the 17th Congress of the Asia-Pacific Academy of Ophthalmology, March 9, 1999, Manila, Philippines

Ametropia at the Philippine General Hospital Out Patient Department from January 1995 to December 1996: A Cross-Sectional Study. Doroteo EUN, Salceda SR, Nanagas JR, Cabrera BGG, Lim-Bon-Siong R. Presented at the 17th Congress of the Asia-Pacific Academy of Ophthalmology, March 10, 1999, Manila, Philippines

Use of Vifilcon A (Protek) therapeutic soft contact lens after excimer photorefractive keratectomy. Lim-Bon-Siong R, Valluri S, Gordon M, Pepose J. Presented at the International Society of Refractive Surgery Pre-academy Meeting, Oct. 24 to 26, 1996. Chicago, Illinois.

Detection of PRK on cadaveric globes by videokeratography. Lim-Bon-Siong R, Williams JM, Chuck R, Pepose JS. Presented at the World Congress on the Cornea IV, April 17-19 1996, Orlando, FL.

Visual Outcome and Complications of Phacoemulsification performed by residents. Lim-Bon-Siong R. Presented at the Annual Meeting of the Philippine Society of Ophthalmology, 1994

Early Experience with Foldable Intraocular Lenses at the Philippine General Hospital. Lim-Bon-Siong, R. Presented at the mid-year meeting of the Philippine Society of Ophthalmology, Shangri-La Hotel, Mactan, Cebu City, 1994

One-handed in-the-bag Phacoemulsification: Early Experience in the Philippine General Hospital. Guerrero A, Lim-Bon-Siong, R, San Juan R. Presented at the annual meeting of the Philippine Society of Ophthalmology, 1993.

Poster Presentations:

Photorefractive Keratectomy in Pediatric Patients with Anisometropia. Chua CE, Santiago AP, Cua E, Lim Bon Siong R. World Ophthalmology Congress 2008, Hong Kong Convention and Exhibit Center, Wanchai, Hong Kong, SAR, June 28 to July 2, 2008

Dysfunctional Tear Syndrome Among Patients on Maintenance Topical Glaucoma Medication. Balingit JV, Agulto MB, Lim Bon Siong R. 2007 Asia-ARVO Meeting on Research in Vision and Ophthalmology. Singapore. March 2 to 5, 2007.

In Vitro Studies on the Efficacy of Commercially Available Contact Lens Solutions in Eliminating Acanthamoeba in the Philippines. Loy M, Reyes J, Matias R, Lim Bon Siong R, Natividad F. 2007 Asia-ARVO Meeting on Research in Vision and Ophthalmology. Singapore. March 2 to 5, 2007.

The Use of DNA Sequence-based Technique to Identify Unknown Microbial Pathogens in Eye Infections. Daroy MG, Lopez JS, Torres BCL, Oh V, Loy M, Lim Bon Siong R, Tuano PC, Matias RR, Natividad F. 2007 Asia-ARVO Meeting on Research in Vision and Ophthalmology. Singapore. March 2 to 5, 2007.

Granular Dystrophy Type 3 Confirmed by Mutational Analysis in a Filipino Family. Zamora, K. Lim Bon Siong R. 21st Congress of APAO. Singapore. June 10 to 14, 2006.

Pain Control and Corticosteroid Avoidance: Key to Successful Treatment of Acanthamoeba Keratitis. Lim Bon Siong R. Agahan A, Valenton MJ. World Cornea Congress V. Washington Convention Center. Washington DC, USA. April 14, 2005.

Efficacy of Locally Assembled Keratoprosthesis in Rabbit Eyes. Gumban J, Verzosa L, Lim-Bon-Siong R. Institute of Ophthalmology, St. Luke's Medical Center. Annual Meeting of the Philippine Academy of Ophthalmology, 2001

The Efficacy of Heat Sterilization of Ophthalmic Instruments Using a Commercially Available Convection Broiler. Germar G, Valenton MJ, Lim-Bon-Siong R, Nievera LFC. Department of Ophthalmology, Philippine General Hospital, University of the Philippines Manila (17th Congress of the Asia-Pacific Academy of Ophthalmology, March 1999, Manila, Philippines)

Drechslera Fungal Keratitis mistaken for Ruptured Corneal Ulcer with Prolapsed Iris. De Jesus FAA, Lim-Bon-Siong R. Department of Ophthalmology, Philippine General Hospital, University of the Philippines Manila (17th Congress of the Asia-Pacific Academy of Ophthalmology, March 1999, Manila Philippines)

Dye Targeted non - contact diode laser Photothermal Keratoplasty for correction of hyperopia. Po S, Lim-Bon-Siong R, Fisher H, Chuck RS.

Diode laser activated biological glue for sealing corneal lacerations. Bart DJ, Lim-Bon-Siong R, Lubneiswki AJ, Chuck RS. Washington University School of Medicine, MO (ARVO, April 1996, Ft. Lauderdale, FL)

Optimization of dye enhanced ab interno laser sclerostomy. Chuck RS, Fisher H, Po S, Lim-Bon-Siong R. Washington University School of Medicine, St. Louis, MO (ARVO, April 1996, Ft. Lauderdale, FL)

Researches:

Ocular Complaints of Call Center Agents in Metro Manila, St Luke's Medical Center, 2008

Bacterial Flora of the Lids and Conjunctiva of Patients for Cataract Surgery, Philippine General Hospital, 2008

Comparison of topical lubricants in the disappearance of posterior lid margin sign among patients with dysfunctional tear syndrome, Philippine General Hospital, 2008

Subconjunctival Avastin for Primary and Recurrent Pterygia, Philippine General Hospital, 2007

Prototype Xeroscope for the Measurement of Tear Break-up Time, St. Luke's Medical Center, 2007

Efficacy of commercially available contact lens solutions in Acanthamoeba strains isolated from Filipino patients, Research and Biotechnology Division, St. Luke's Medical Center, 2006

Success of Monovision among early emmetropic presbyopes using soft contact lenses. Research and Biotechnology Division, St. Luke's Medical Center, 2006

Detection of Mycobacterium tuberculosis in cadaveric corneas. Research and Biotechnology Division, St. Luke's Medical Center, 2006

Vidisc Gel versus Lipolin Gel, a double-masked, randomized clinical trial. Philippine General Hospital, 2006

Prevalence of Dysfunctional Tear Syndrome in Glaucoma Patients on Chronic Topical Therapy, Philippine General Hospital. 2006

Clinical Profile of Dysfunctional Tear Syndrome at the Dry Eye Clinic, Philippine General Hospital, 2006

Autologous Serum versus Preservative Free Artificial Tears for Aqueous Deficiency Dry Eye Disease. UP-PGH Dry Eye Study Group, 2005.

Conjunctival Autograft versus Dried Amniotic Membrane Graft for Primary Pterygium Using Fibrin Blue (Beriplast P). Department of Ophthalmology and Visual Sciences, Philippine General Hospital, University of the Philippines Manila, 2005.

Comparison of Higher Order Aberrations Following Wavefront-Guided versus Standard Laser In Situ Keratomileusis in Low to Moderate Myopia, Vision Laser Center, St. Luke's Medical Center, 2003.

Iris-Claw Lens In Phakic Eyes To Correct Severe Myopia: Preliminary Study, Vision Laser Center, St. Luke's Medical Center, 2002

Ultrasonic Pachymetry Measurement of Corneal Flap Thickness Created by Hansatome Microkeratome, Vision Laser Center, St. Luke's Medical Center, 2002

Anterior Chamber Contamination with and without antibiotics in Irrigating Solution, In-Vitro Model, Department of Ophthalmology and Visual Sciences, Philippine General Hospital, University of the Philippines Manila, 2002

Effect of Insulin on Endothelial Cells of Human Corneal Buttons During Optisol-GS Storage Department of Ophthalmology and Visual Sciences, Philippine General Hospital, University of the Philippines Manila, 2002

Human Derived Fibrin Glue (Beriplast P) in Conjunctival Autografts for Pterygia. Department of Ophthalmology and Visual Sciences, Philippine General Hospital, University of the Philippines Manila, 2001

Effect of Brimonidine Tartrate 0.2% Ophthalmic Solution on Scotopic Pupil Diameter in Normal Eyes. Department of Ophthalmology and Visual Sciences, Philippine General Hospital, University of the Philippines Manila, 2001

Animal Trial with a Locally Assembled Keratoprosthesis. Institute of Ophthalmology and Research and Biotechnology Division, St. Luke's Medical Center, 2001

Contrast Sensitivity after Myopic Laser-In-Situ Keratomileusis with the Technolas 217. Vision Laser Center, Institute of Ophthalmology, St. Luke's Medical Center, 2001

Detection of Epstein-Barr Virus in Dimmer's Nummular Keratitis by Polymerase Chain Reaction. Department of Ophthalmology and Visual Sciences, Philippine General Hospital, University of the Philippines Manila, 2001

Wound Strength of Fibrin Glue (Beriplast P) Compared to Nylon Sutures in the Repair of Corneal Perforations in the Cadaveric Porcine Eyes, Department of Ophthalmology and Visual Sciences, Philippine General Hospital, University of the Philippines Manila, 2000

Topical Chlorhexidene for the Treatment of Fungal Keratitis, Department of Ophthalmology and Visual Sciences, Philippine General Hospital, University of the Philippines Manila, 2000

Applicability of Plain Catgut Suture as Temporary Punctal Plugs, Department of Ophthalmology and Visual Sciences, Philippine General Hospital, University of the Philippines Manila, 1999

Amniotic Membrane Grafts as an Alternative to Conjunctival Flaps I the Symptomatic Treatment of Bullous Keratopathy, Department of Ophthalmology and Visual Sciences, Philippine General Hospital, University of the Philippines Manila, 1999

Corneal Topographic Changes Induced by Rigid and Soft Contact Lenses, Department of Ophthalmology and Visual Sciences, Philippine General Hospital, University of the Philippines Manila, 1999

Corneal Topographic Changes After Retinal Surgeries, Department of Ophthalmology and Visual Sciences, Philippine General Hospital, University of the Philippines Manila, 1999

Microbiology of Wounds After Corneal Perforating Injuries, Department of Ophthalmology and Visual Sciences, Philippines General Hospital, University of the Philippines Manila, 1999

Graft Clarity of Penetrating Keratoplasties at the Corneal Clinic. Department of Ophthalmology, Philippine General Hospital, University of the Philippines Manila, 1999

Impact of Keratoconjunctivitis Sicca on Vision – Targeted Health – Related Quality of Life, Department of Ophthalmology and Visual Sciences, Washington University School of Medicine, 1988

Microbiologic Contamination of Corneal Foreign Bodies, Department of Ophthalmology, Philippine General Hospital, University of the Philippines Manila, 1998

Effect of Topical Povidone Iodine 1.25% on the Microbial Flora of Children with Acute Measles, Department of Ophthalmology, Philippine General Hospital, University of the Philippines Manila, 1998

Etiologies of Corneal Leukoma at the Philippine General Hospital, Department of Ophthalmology, University of the Philippines Manila, 1998

Ametropia at The Philippine General Hospital – A Cross Sectional Study, Department of Ophthalmology, Philippine General Hospital, University of the Philippines Manila, 1998

Conjunctival Autograft in the Treatment of Pterygium, Department of Ophthalmology, Philippine General Hospital, University of the Philippines Manila, 1998

Impression Debridement as Specimen Collection Technique In Microbial Keratitis, Department of Ophthalmology, Philippine General Hospital, University of the Philippines Manila, 1998

Case Series: Sympathetic Ophthalmia, Department of Ophthalmology, Philippine General Hospital, University of the Philippines Manila, 1998

Case Series: Scleral Ulceration Secondary to Mitomycin C after Pterygium Excision, Department of Ophthalmology, Philippine General Hospital, University of the Philippines Manila, 1998

Congenital Hereditary Endothelial Syndrome: a case report. Department of Ophthalmology, Philippine General Hospital, University of the Philippines Manila, 1998

Dresclera Fungal Keratitis: a case report. Department of Ophthalmology, Philippine General Hospital, University of the Philippines Manila, 1998

Surgical Management of Iris and Ciliary Body Tumors: Review of Four Cases. . Department of Ophthalmology, Philippine General Hospital, University of the Philippines Manila, Dec. 1997

A randomized, double-masked, placebo - controlled, parallel evaluation of the safety and efficacy of Cidofovir topical ophthalmic solution in the treatment of viral epidemic keratoconjunctivitis. Pepose,J, Washington University School of Medicine, St. Louis, MO, 1997

A randomized, single - masked, active- controlled, parallel evaluation of the efficacy and safety of Cidofovir topical ophthalmic solution in the treatment of herpes simplex epithelial keratitis. Pepose J, Washington University School of Medicine, St. Louis, MO, 1997

A double masked, double dummy, randomized, Acyclovir controlled, parallel group study to compare the efficacy and safety of Famciclovir with Acyclovir in the treatment of patients with ophthalmic zoster.

Pepose J, Washington University School of Medicine, St. Louis, MO, 1997

Corneal Dystrophies: A Literature Review. Busa T, Lim-Bon-Siong R, Valenton MJ. Philippine General Hospital, University of the Philippines Manila, 1995

Conjunctival Punctal Patch in the treatment of dry eye syndrome. Murube E, Lim-Bon-Siong R, Murube J. Centro Especial Ramon y Cajal, Madrid, Espana, 1994

Therapeutic value of levocabastine eye drops in the treatment of allergic conjunctivitis. A comparative study versus anatzoline-tetrahydrozoline eye drops. Dy-Liaco J, Kabamalan G, Lim-Bon-Siong R, Eltanal E, Salceda S. Institute of Ophthalmology, University of the Philippines Manila, 1994

Epstein-Barr virus as a possible etiology of idiopathic disciform keratitis. Lim-Bon-Siong R, Valenton MJ, Institute of Ophthalmology, University of the Philippines Manila, 1994

Visual rehabilitation protocol of the department of rehabilitation medicine. Matias RR, Lim-Bon-Siong R. Philippine General Hospital, University of the Philippines Manila, 1992

Tissue Adhesives in Ophthalmology: literature review. Lim-Bon-Siong R. Philippine General Hospital, University of the Philippines Manila, 1990

Lectures and Presentations:

Corneo-Scleral Laceration and Globe Rupture, 13th Postgraduate Course, Decision Making in Ocular Trauma: Pearls and Pitfalls, Cardinal Santos Medical Center, Club Filipino, March 20, 2010

Basics of Refractive Surgery Screening, Department of Ophthalmology and Visual Sciences, Sentro Oftalmologico Jose Rizal, UP-Philippine General Hospital, April 28, 2009

Atypical Mycobacteria Infection in Cataract Surgery, External Eye Diseases Forum, Cardinal Santos Medical Center, April 15, 2009

Topography Guided Refractive Surgery: For the Sins of our Past, International Refractive User Symposium, Sheraton Hotel, Kowloon, SAR, March 21, 2009

Atypical Mycobacteria Infection in Cataract Surgery, DOH Eye Center, East Avenue Medical Center, March 16, 2009

Pediatric PRK: The SLMC Experience, Cataract and Refractive Surgery Symposium, 2008 Annual Meeting of the Philippine Academy of Ophthalmology, SMX Convention Center, November 29, 2008

Introducing the PAO and PBO, Public Health Symposium, 2008 Annual Meeting of the Philippine Academy of Ophthalmology, SMX Convention Center, November 28, 2008

Pearls in the Management of Dry Eye Disease, Alcon Speakers Forum, 2008 Annual Meeting of the Philippine Academy of Ophthalmology, SMX Convention Center, November 27, 2008

Optimizing Cataract Surgery Outcome Pharmacologically, ZAP Lecture Series, Central Luzon Society of Ophthalmology, Holiday Inn Hotel, Clark Air Field, Angeles City, Pampanga, October 4, 2008

Formulating the Research Question, PAO Research Methodology Course, SOJR-Dr. Romeo B. Espiritu Auditorium, September 29, 2008

Solving the Conjunctivitis Puzzle, 15th Post Graduate Course, International Eye Institute, St Luke's Medical Center, September 27, 2008

Optimizing Cataract Surgery Outcome Pharmacologically, ZAP Lecture Series, Southern Mindanao Society of Ophthalmology, September 6, 2008

Optimizing Cataract Surgery Outcome Pharmacologically, ZAP Lecture Series, Rizal Ballroom, Shangri-La Manila Hotel, August 31, 2008

Atypical Mycobacteria Infection in Cataract Surgery, PSCRS-ASCRS Joint Meeting II, EDSA Shangri-La Hotel, June 25, 2008

PLM: A New Sign in Dry Eye Diagnosis, PSCRS-ASCRS Joint Meeting II, EDSA Shangri-La Hotel, June 25, 2008

Pediatric PRK: The SLMC Experience, PSCRS-ASCRS Joint Meeting II, EDSA Shangri-La Hotel, June 24, 2008

Cornea Donation and Transplantation. Human Organ and Tissues Transplantation Program. St. Luke's Medical Center, April 21, 2008

Pearls in the Diagnosis and Management of Dry Eye. Department of Ophthalmology, University of Santo Tomas Hospital. Dulcinea, T. Morato, Quezon City, April 16, 2008

Pearls in the Diagnosis and Management of Dry Eye. Department of Ophthalmology, University of the East Ramon Magsaysay Hospital, Alex III, T. Morato, Quezon City, March 25, 2008

PLM Sign: A New Sign in Dry Eye Diagnosis. Northwestern Luzon Chapter of the Philippine Academy of Ophthalmology, Vigan, Ilocos Sur, February 23, 2008

PLM Sign: A New Sign in Dry Eye Diagnosis. Symposium on Dry Eye, Cataract and Vitreoretina, Central Luzon Society of Ophthalmology and Angeles University Foundation Medical Center, Hotel Stotsenberg, Clark Field, Pampanga, January 30, 2008

PLM Sign: A New Sign in Dry Eye Diagnosis. Alcon Speakers Forum, 2007 Annual Meeting of the Philippine Academy of Ophthalmology, EDSA ShangriLa Hotel, December 8, 2007

Formulating the Research Question, Research-EBO Symposium: From Problem to Publication, 2007 Annual Meeting of the Philippine Academy of Ophthalmology, EDSA ShangriLa Hotel, December 6, 2007

Pearls in the Management of Dysfunctional Tear Syndrome, Southern Mindanao Society of Ophthalmology, Marco Polo Hotel, Davao City, September 22, 2007

Pearls in the Management of Dysfunctional Tear Syndrome, Cardinal Santos Medical Center, Linden Suites, Pasig City, July 18, 2007

LASIK and LASEK: Technique and Tips. LASIK and Refractive Surgery Course with the MEL 80. St. Luke's Medical Center, May 12, 2007

Conquering Eye Infection, Rizal Medical Center, The Legend Hotel, Pasig City, April, 2007

Atypical Mycobacteria Infection In Cataract Surgery, Alcon Speakers Forum, 2006 Annual Meeting of the Philippine Academy of Ophthalmology, EDSA ShangriLa Hotel, November 27, 2006

Coming Up with the Research Question, Research Symposium: From Problem to Publication, 2006 Annual Meeting of the Philippine Academy of Ophthalmology, EDSA ShangriLa Hotel, November 26, 2006

Pearls in the Management of Dysfunctional Tear Syndrome, Cebu Society of Ophthalmology and Eastern Visaya Society of Ophthalmology, Cebu City, October 28, 2006

Conquering Eye Infection, Makati Medical Center, September 29, 2006

Pearls in the Management of Dysfunctional Tear Syndrome, Asian Hospital and Medical Center, Alabang, Muntinlupa, September 19, 2006

Understanding Presbyopia: Current Concepts, Post Graduate Course, St. Luke's Medical Center, September 2, 2006

Infectious Keratitis, Manila Central University, August 30, 2006

Conquering Eye Infection, "No Limits in Sights" Symposium, Traders Hotel, Yangon, Myanmar, July 22, 2006.

Pearls in the Management of Dysfunctional Tear Syndrome, St. Luke's Medical Center, Crowne Plaza Hotel, June 23, 2006

Current Concepts on the Pathophysiology, Diagnosis and Treatment of Dysfunctional Tear Syndrome, Western Visayas Society of Ophthalmology, Iloilo City, April 29, 2006

Current Concepts on the Pathophysiology, Diagnosis and Treatment of Dysfunctional Tear Syndrome, Cardinal Santos Medical Center, February, 2006

Ocular Trauma and Emergencies. Certificate Course Speaker, Centennial Grand Scientific Symposium 2006: Emergencies and Disasters. College of Medicine, University of the Philippines Manila. Manila Hotel, January 23-25, 2006.

Fungal Keratitis and Atypical Mycobacteria Keratitis. Joint Meeting of the Philippine Academy of Ophthalmology and American Academy of Ophthalmology. EDSA ShangriLa Hotel, November 30 to Dec 3, 2005

Evidenced-based Management of Pterygium. Joint Meeting of the Philippine Academy of Ophthalmology and American Academy of Ophthalmology. EDSA ShangriLa Hotel, November 30 to Dec 3, 2005

Laser In-Situ Keratomileusis: Indications, Techniques and Outcome. De La Salle University College of Medicine. Dasmarias, Cavite. September 28, 2005

Penetrating Keratoplasty: Indications, Technique, Complications, Postop Care. Surgical Course in Ophthalmology. Sentro Oftalmologico Jose Rizal. University of the Philippines Manila. September 25, 2005.

Current Management of Cornea and External Eye Diseases. UST Department of Ophthalmology. Katre Restaurant, Quezon City. July 19, 2005.

WCC5 Update on the Management of Pterygium. 2nd Annual Meeting. Philippine Society of Cataract and Refractive Surgery. EDSA Shangri-La Hotel. July 2, 2005.

Current Management of Cornea and External Eye Diseases. Alcon Phils. Saisaki EDSA. June 22, 2005.

Dysfunctional Tear Syndrome. Southern Mindanao Society of Ophthalmology. Davao City, May 28, 2005.

Current Pathophysiology and Treatment of Dry Eye Disease. Central Luzon Society of Ophthalmology. Cabanatuan City, Nueva Ecija. April 5, 2005.

Appraising Articles on Therapy, Evidence Based Ophthalmology. Research & Methodology Instruction Course, 20th APAO Congress. Kuala Lumpur, Malaysia. March 29, 2005.

Current Pathophysiology and Treatment of Dry Eye Disease. Bicol Chapter Philippine Academy of Ophthalmology. Legaspi City, Albay, Feb, 2005.

Uses of Laser In Ophthalmology. UP College of Medicine Grand Scientific Symposium. Holiday Inn Clark Field, Angeles City, Pampanga. January 29, 2005.

Corneal Topography. 4th Post Graduate Course. Department of Ophthalmology, Ospital ng Makati. October 5, 2004

Toxic Anterior Segment Syndrome. Post Graduate Course. Institute of Ophthalmology and Visual Sciences, St. Luke's Medical Center. October 2, 2004

Not Simply Dry: Paradigm Shift in the Management of Dry Eye Disease. Saisaki EDSA, Quezon City, August 2004

Not Simply Dry: Paradigm Shift in the Management of Dry Eye. Annabel's Restaurant, Quezon City, July 20, 2004

Not Simply Dry: Paradigm Shift in the Management of Dry Eye. Novartis Ophthalmics In Focus Interactive Symposium. Bohol Beach Club. July 9, 2004

The Eye and the Skin: Psoriasis and Ichthyosis. Post Graduate Course, Manila Doctors Hospital, July 3, 2004

Cornea and External Eye Diseases. KKK Restaurant. October 22, 2003.

Cornea and External Eye Diseases. Makati Medical Center. September 30, 2003.

Conjunctival Auto-Grafting after Pterygium Excision, 12th Annual Post-Graduate Course, East Avenue Medical Center, Quezon City, August 29-30, 2003

Reactor, Pterygium Symposium, First PAO-SERI Research Forum, EDSA Shangri-La Hotel, August 24, 2003

Tearing and Discharge, Lecture to Year Level V Medical Students, College of Medicine, University of the Philippines Manila, August 21, 2003

Zyoptix Alliance Update. Third Anniversary Lecture, Vision Laser Center. Discovery Suites. Ortigas Center, Pasig City, July 17, 2003

Precautions and Approaches to Cataract Surgery in a Weak Cornea. 12th Post-Graduate Course, Department of Ophthalmology, Manila Doctors Hospital, July 5, 2003

Common Ophthalmological Problems and LASIK Procedure, Second Scientific Meeting, Filipino Chinese Medical Society, Inc., Century Park Hotel, June 17, 2003

Corneal Topography for Beginners, Second Quarter Meeting, Philippine Society of Cataract and Refractive Surgery, EDSA Shangri-La Hotel, June 8, 2003

Fungal Keratitis Treatment Guidelines, Mid Year Meeting of the Philippines Academy of Ophthalmology, North Western Luzon Chapter, Manor Hotel, Camp John Hay, Baguio City, May 8, 2003

Updates on the Management of Cornea and External Eye Diseases, sponsored by Alcon Philippines, Saisaki Restaurant, EDSA, March 28, 2003

Basic Penetrating Keratoplasty. Corneal Transplant Course. Annual Meeting of the Philippine Academy of Ophthalmology. EDSA Shangri-La Hotel. November 30, 2002

The Techniques of Pterygium Excision with Conjunctival Autograft. Cornea Symposium. Annual Meeting of the Philippine Academy of Ophthalmology. EDSA Shangri-La Hotel. November 29, 2002

Current Management of Cornea and External Eye Diseases. Department of Ophthalmology, Far Eastern University Hospital. Country Waffle, Greenhills, San Juan. October 23, 2002
